Ratify the Board of County Commissioners approval on the waiver of fairground fees for Brush Area Chamber of Commerce

Commissioner Arndt made a motion to approve all items on the Consent Agenda as presented. Commissioner Teague seconded the motion and motion carried 3-0.

### GENERAL BUSINESS AND ADMINISTRATIVE ITEMS

Consideration of Approval – RESOLUTION - 2017 BCC 51 – A RESOLUTION RECEIVING AN APPLICATION FOR A HOTEL AND RESTAURANT LIQUOR LICENSE SUBMITTED BY THE FLAME STEAKHOUSE AND SETTING THE NEIGHBORHOOD BOUNDARIES FOR LIQUOR LICENSING PURPOSES

#### MORGAN COUNTY, COLORADO BOARD OF COUNTY COMMISSIONERS

### **RESOLUTION NO. 2017 BCC 51**

A RESOLUTION RECEIVING AN APPLICATION FOR A HOTEL AND RESTAURANT LIQUOR LICENSE SUBMITTED BY THE FLAME STEAKHOUSE AND SETTING THE NEIGHBORHOOD BOUNDARIES FOR LIQUOR LICENSING PURPOSES

**WHEREAS,** the Board of County Commissioners is the local liquor licensing authority for Morgan County;

**WHEREAS**, liquor licensing is controlled by the Colorado Liquor Code, C.R.S. § 12-47-101, *et seq.*, and by local regulations;

**WHEREAS**, before granting any license, pursuant to C.R.S. § 12-47-301(2)(a), all licensing authorities shall consider the reasonable requirements of the neighborhood and the desires of the adult inhabitants as evidence by petitions, remonstrances or otherwise;

**WHEREAS**, an application for a new hotel and restaurant liquor license has been submitted by the Flame Steakhouse, with the address of 14424 U.S. Highway 34, Morgan County, Colorado (the "Application"); and

**WHEREAS**, the Board of County Commissioners wishes to receive the Application, designate the neighborhood for petitioning purposes, and set a public hearing for consideration of the issuance of anew hotel and restaurant liquor license.

### NOW BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MORGAN COUNTY, COLORADO:

- 1. The Application is received by the Board of County Commissioners and a public hearing upon the Application is set to take place not less than thirty days from today's date, on December 19, 2017. The County Clerk is instructed to provide public notice of the hearing as required by C.R.S. § 12-47-311 and local regulations.
- 2. For purposes of understanding the reasonable requirements of the neighborhood and the desires of the adult inhabitants therein, the neighborhood for the Application is hereby designated as that area of the County bounded on the west by Morgan County Road 13, bounded on the east by Morgan County Road 15, bounded on the north by Morgan County Road S, and bounded on the south by Morgan County Road Q, as more fully set forth in the map attached hereto and incorporated herein as **Exhibit A**.

**DATED** this 14<sup>th</sup> day of November, 2017.

THE BOARD OF COUNTY COMMISSIONERS

(SEAL)

ATTEST:

s/ Susan L. Bailey

Susan L. Bailey

Morgan County Clerk and Recorder Susan Bailey presented to the Board for approval, Resolution 2017 BCC 51, a Resolution receiving an application for a Hotel and Restaurant Liquor License submitted by The Flame Steakhouse and Setting the Neighborhood Boundaries for liquor licensing purposes. Ms. Bailey stated Morgan County received an application for a new Hotel & Restaurant Liquor License from Victoria Visser and Russell Croft dba The Flame Steakhouse. Ms. Bailey referenced the resolution which was drafted and prepared by the County Attorneys which provides for the Board of County Commissioners acting as the local liquor licensing authority to formally receive the liquor license application as submitted and set the neighborhood boundaries as required by the Colorado Liquor code, C.R.S. 12-47-101 as well as the local regulations.

Ms. Bailey stated that before granting any license, pursuant to C.R.S. 12-47-301(2)(a), all licensing authorities shall consider the reasonable requirements of the neighborhood and the desires of the adult inhabitants as evidence by petitions, remonstrances or otherwise. She indicated by signing and approving this resolution, the Board will formally receive the application and a public hearing for December 19, 2017 would be scheduled, which is not less than 30 days from today's date and would be instructing the County Clerk to provide public notice of the hearing as required by CRS 12-47-311 and local regulations. She also stated that for purposes of understanding the reasonable requirements of the neighborhood and the desires of the adult inhabitants therein, the neighborhood for the application is herby designated as that area of the County bounded on the west by Morgan County Road 13, bounded on the east by Morgan County Road 15, bounded on the north by Morgan County Road S, and bounded on the south by Morgan County Road Q. Please see exhibit A as attached to the resolution. Ms. Bailey stated these requirements are the same as have been set forth in previous liquor license applications in this specific locale. Ms. Bailey asked the board for its approval in order to move the process forward for the applicant and stated as County Clerk, she would provide the applicant with the necessary forms for completing the petition process as well as any signage required for public posting of this license application for notifying the public of the public hearing as scheduled for December 19<sup>th</sup>.

Chairman Zwetzig asked the applicant if they would like to speak at which time Russell Croft introduced himself stating his address as being 10866 County Road 12, Fort Morgan, Colorado. Mr. Croft stated they are wishing to obtain a hotel and restaurant liquor license, indicating they are not a bar; they only want to be able to serve alcoholic drinks to patrons who are there for a sit down meal. He also indicated that he and Victoria Vissar would be completing the petition process themselves as they would like to meet the neighborhood and be able to answer any questions or concerns there may be.

Commissioner Teague made a motion to approve Resolution 2017 BCC 51, a Resolution receiving an application for a hotel and restaurant liquor license submitted by The Flame Steakhouse and Setting the Neighborhood Boundaries for Liquor Licensing Purposes as presented by Morgan County Clerk and Recorder Susan Bailey with Commissioner Arndt seconding the motion. At this time, the motion carried 3-0.

#### Consideration of Approval – RIGHT OF WAY - 2017 PMT 37 – Wind & Wind Partnership

Morgan County Roads Supervisor John Goodman presented to the Board for approval, a Right of Way Permit 2017 PMT 37, with Wind & Wind Partnership. Mr. Goodman stated this right of way permit is for trenching starting at 1845 feet north of County Road W.7 in the east right of way of County Road 31 renching across County Road 31 ending in the west right of way of County Road 31, for the purpose of installing a water line.

Commissioner Arndt asked about what the size of the water line being proposed is with further review indicating there is nothing mentioned as to the size, with Chairman Zwetzig stating it is a quality water tap being taken across the road for a stock tank stating it will probably be 1 ½ inch to 2 inch pipe. Commissioner Arndt would like to see this information be indicated on the right of way permit application in the future.

Commissioner Arndt made a motion to approve Right of Way Permit 2017 PMT 37 with Wind & Wind Partnership as outlined in the narrative of the permit noting the fees are attached as presented by Morgan County Roads Supervisor John Goodman and authorized the Chair to sign. Commissioner Teague seconded the motion. Chairman Zwetzig asked that the record reflect that future pipelines designate the size and asked Road Supervisor John Goodman to be sure this information is added to the application online as well. At this time, the motion carried 3-0.

#### Consideration of Approval - RIGHT OF WAY - 2017 PMT 38 - Wind & Wind Partnership

Morgan County Roads Supervisor John Goodman presented to the Board for approval, a Right of Way Permit 2017 PMT 38, with Wind & Wind Partnership. Mr. Goodman stated this right of way permit is for trenching starting at 2,396 feet south of County Road AA in the west right of way of County Road 32 trenching across County Road 32 ending in the east right of way of County Road 32 for the purpose installing a water line.

Commissioner Teague made a motion to approve Right of Way Permit 2017 PMT 38 with Wind & Wind Partnership as outlined in the narrative of the permit noting the fees are attached as presented by Morgan County Roads Supervisor John Goodman and authorized the Chair to sign. Commissioner Arndt seconded the motion and motion carried 3-0.

#### **COUNTY OFFICIAL AND DEPARTMENT HEAD REPORTS**

Commissioners reviewed the calendar dated November 10, 2017 through November 21, 2017 with changes.

Clerk and Recorder Susan Bailey updated the Board regarding the most recent coordinated election stating her office is still within the 8 day cure process explaining that this process allows for any signature discrepancies or overseas, military voters to submit their ballot, therefore, the final numbers are not completed as of yet. She further stated that canvass is scheduled to be completed no later than November 24, 2017 at which time the election will be certified. Ms. Bailey also provided information regarding the Risk Limit Auditing the Colorado Secretary of State has implemented which now audits the actual voter's ballot to ensure it was read and tallied appropriately instead of auditing the actual equipment stating this process will begin next week. Ms. Bailey stated the election went smoothly and citizens seemed interested in utilizing the new equipment and her office experienced very minimal issues. Ms. Bailey provided statistics as to the percentage of ballots returned to the 24/7 ballot drop box as 32 percent of the overall returns, 36 percent were dropped off in house and the remaining were by mail. Chairman Zwetzig thanked Ms. Bailey for running a smooth election and stated he is looking forward to next year's ballot as a lengthy ballot. He mentioned there were some close races in this last election with Ms. Bailey stating it is possible there may be a recount situation with one of the local races and that will be determined after canvass.

#### **UNFINISHED BUSINESS**

There was no unfinished business.

#### **CITIZEN'S COMMENT**

There were no citizen comments made at this time.

At this time, the Board recessed at 9:17 a.m. until the Public Hearing scheduled at 9:30 a.m.

#### **PUBLIC HEARING**

Chairman Zwetzig called the hearing to order at 9:30 a.m. in the Assembly Room of the Morgan County Administration Building. Present were Chairman James Zwetzig Commissioner Laura Teague and Commissioner Mark Arndt in attendance. Also present was Morgan County Planning and Zoning Planning Director/Floodplain Administrator Pam Cherry and staff.

Applicant: Karissa Gayosso & Domingo Gayosso, Bryon Francone, Connie Francone, Geraldine Cooper Landowners: Karissa Gayosso & Domingo Gayosso, Bryon Francone, Connie Francone, Geraldine Cooper A petition has been submitted for an alley vacation located in Orchard, Colorado (Tabled from the October 31, 2017 Public Hearing)

Resolution 2017 BCC 44 - A Resolution approving the vacation of the alleyway contained within block 4, Hedges Subdivision, Town of Orchard

#### MORGAN COUNTY, COLORADO **BOARD OF COUNTY COMMISSIONERS**

#### **RESOLUTION NO. 2017 BCC 44**

#### A RESOLUTION APPROVING THE VACATION OF THE ALLEYWAY CONTAINED WITHIN BLOCK 4, HEDGES SUBDIVISION, TOWN OF ORCHARD

WHEREAS, Karissa Gayosso, Salavador Baladez, Bryon Francone, Connie Francone Domingo Gayosso, and Geraldine Cooper ("Applicants") have submitted a petition requesting the vacation of the alleyway from the south side of the right of way of 4<sup>th</sup> Street to the north side of the right of way of 3th Street, located in Block 4, Hedges Subdivision, in the unincorporated Town of Orchard, ("Roadway");

WHEREAS, the Roadway is currently a public right of way located entirely in the County and outside of the boundaries of a municipality;

WHEREAS, pursuant to C.R.S § 43-2-303(1)(b), the Board of County Commissioners may vacate any roadway, or any part of a roadway, that is located entirely within the County, provided the roadway is outside the limits of a municipality; and

WHEREAS, after a duly noticed public hearing held on October 31, 2017, the Board of County Commissioners of Morgan County, Colorado, considered the petition and decided to vacate the Roadway, subject to the reservation of easements for the continued use of existing sewer, gas, water, or similar pipelines and appurtenances, for ditches or canals and appurtenances, and for electric, telephone, and similar lines and appurtenances, in accordance with C.R.S. § 43-2-303(3), which shall include the right to maintain, repair, replace and expand their facilities within the Roadway.

#### NOW BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MORGAN **COUNTY, COLORADO:**

- The Board of Commissioners hereby finds that vacation of the Roadway satisfies all criteria under applicable law and hereby vacates the Roadway, subject to the reservation of easements for the continued use of existing sewer, gas, water, or similar pipelines and appurtenances, for ditches or canals and appurtenances, and for electric, telephone, and similar lines and appurtenances which shall include the right to maintain, repair, replace and expand such facilities within the Roadways.
- The County shall have no further obligation to inspect, maintain, repair, or replace the Roadway or any improvements located therein.
- The Board of County Commissioners shall record this Resolution in the records of the Morgan County Clerk and Recorder.

**DATED** this 14<sup>th</sup> day of November, 2017.

### s/ James P. Zwetzig James P. Zwetzig, Chairman s/Laura D. Teague Laura D. Teague, Commissioner s/Mark A. Arndt

MORGAN COUNTY, COLORADO

THE BOARD OF COUNTY COMMISSIONERS

Mark A. Arndt, Commissioner

(SEAL) ATTEST:

s/ Susan L. Bailey

Susan L. Bailey

Chairman Zwetzig stated this is a matter which was tabled from a previous meeting and further asked the applicant, Ms. Gayosso to come forward. He stated information was requested and it has been received from the Wiggins Rural Fire District and read aloud the letter received which indicates they did not see anything that would make them deny the request to vacate the alleyway in question. The letter was provided to the Clerk to maintain on file as part of the record.

Applicant Karissa Gayosso stated her address as being 1629 4th Street, Orchard, and provided information by pointing out on the displayed plat map of the area and alleyway she is petitioning to vacate. She stated the letter from the Wiggins Fire Department did not indicate any objection nor did Wiggins Telephone and Xcel Energy. She

requested the vacation of the alleyway to provide an ease in the burden of payment of her taxes given it could be combined as one lot versus two separate lots.

Ms. Gayosso pointed out on the display map of the area where the multiple property owners reside, indicating those owners as being Salvador Baladez and Geraldine Cooper, indicating they are both in favor of this vacation.

Commissioner Arndt asked as far as combining the lots, her idea being to create one large lot to build their home on, expressed his opinion to make it a condition that a lot combination agreement be in place stating there is a charge for the process. He stated that way the lots are joined together and it becomes one parcel of land. Ms. Gayosso expressed her appreciation of the suggestion and stated she would agree to this condition. Commissioner Arndt stated there is a \$300.00 fee for this and she would need to contact the Planning and Zoning Office to complete the application.

Commissioner Teague asked about the original request as coming from Ms. Gayosso and the additional alley requests from the other landowners and the other connected piece of land, if there is any concern in regards to the property located in the back whereas they may not be able to get back to the other lot and if the Board needs to address this. Commissioner Arndt asked the question if the requirement for a combination lot agreement should be required of all the requestors. By vacating the alley, it eliminates access to the back lots and if it is being required of Ms. Gayosso, it should be required of all the other applicants. Commissioner Teague stated as long as the roadway is not vacated, she did not believe it would create any land lock situation referencing to 3<sup>rd</sup> Street. Ms. Gayosso stated the driveway is right where 3<sup>rd</sup> Street is located and she stated the property owner, Mr. Baladaz, does intend to sell within the next decade. Discussion followed that Ms. Gayosso will eventually have to come in and complete a combination lot process and at this time, Commissioner Arndt withdrew his comment and stated he would not make it a requirement.

Ms. Gayosso asked about the vacation of the alleyway, if that will then make all her lots considered residential, with Chairman Zwetzig stating that is a zoning issue, and Ms. Cherry stated the assessor bases value on the use. Commissioner Teague stated that residential will not be triggered until the house is built, with zoning being RTR, and discussion followed will this be considered vacant land, or residential, with Chairman Zwetzig stating if the alley is vacated, part of that lot becomes a part of the main lot, and to remember when it is deeded, that it would need to be deeded with the lot and the alley.

Ms. Gayosso asked if she is eligible to apply for the combination of the lots, with Chairman Zwetzig stating that she is not only eligible, but he strongly encouraged her to do so.

At this time, Chairman Zwetzig opened the matter for public comment at which time there was no public comment.

At this time, the matter moved to discussion and decision.

Commissioner Arndt made a motion to approve Resolution 2017 BCC 44, a Resolution approving the vacation of the alleyway contained within Block 4, Hedges Subdivision, Town of Orchard as presented. He stated the applicants for this request as being Karissa Gayosso, Domingo Gayosso, Bryon Francone, Connie Francone and Geraldine Cooper. Commissioner Teague seconded the motion and motion carried 3-0.

Chairman Zwetzig thanked the applicant and stated the combination agreement that was recommended by Commissioner Arndt is a new planning and zoning tool that was recently put into effect.

Application is for a Zoning Variance from Section 3-650 Table 1, Appendix B of the Morgan County Zoning Regulations. The property is located in the W1/2 of the NW1/4 of Section 27, Township 5 North, Range 60 West of the 6<sup>th</sup> P.M., Morgan County, Colorado. The property is also known as 171 Indian Way, Weldona, Colorado 80653.

Applicant: Gerald and Pamela Lehman Landowner: Gerald and Pamela Lehman

Chairman Zwetzig asked Morgan County Planning and Zoning Planning Director/Floodplain Administrator Pam Cherry to present the file at which time Ms. Cherry stated this application is for a Zoning Variance from Section 3-650 Table 1, Appendix B of the Morgan County Zoning Regulations. The Lehman's own two adjacent lots, 170 and 171, which totals approximately 5,000 square feet total on which they plan to build a home. The property is located in the W½ of the NW¼ of Section 27, Township 5 North, Range 60 West of the 6<sup>th</sup> P.M., Morgan County, Colorado. The lots have been combined for tax purposes and have a parcel number of 0971-272-01-170 and is addressed as 171 Indian Way; mailing: 25402 Co Rd 3, Lots 171, Weldona, Colorado 80653.

Ms. Cherry further indicated that the Lehman's have received approval of their plans from the Jackson Lake Village HOA, with Lehman's planning to build a stick built house on the property which is a conditional use. That application is being reviewed administratively; there are other stick built homes in Jackson Lake. The variance request is to reduce the rear yard setback requirement from 10 feet to six feet, a 40% reduction. In addition, a variance from lot coverage is also requested that will increase the lot coverage to 36.3% from the maximum 35% in the Jackson Lake Village zone district. There is another variance on the property that was granted in Resolution 2014 BCC 33 that reduced the front setback from 10 feet to six feet and the side setback from 7.5 feet to 3 feet for the construction of a garage.

Agency referrals and neighbor notification were completed, there were no objections received.

Ms. Cherry reviewed the criteria for review of a Variance as follows:

- (1)The application requirements of Section 5-185 have been met; the application was complete and represents a clear picture of the requested variance.
- (2)There are no off-site impacts of the requested variance which would require additional infrastructure (utilities, drainage, or roads) by the County or Special Districts.
- (3)The variance proposed is compatible with surrounding uses and is adequately buffered as necessary.
- (4)The general intent and purpose of these Regulations and the Morgan County Comprehensive Plan would be served by granting the variance.
- (5) The granting of this variance would prevent undue hardship in the application of the requirements of these Regulations and would be in the best interests of public health, safety, and welfare.

At this time, Ms. Cherry recommended approval of this application subject to the condition that the lots be combined through the Planning Department.

Chairman Zwetzig asked to clarify if this is only a condition, would it not be a requirement with Ms. Cherry stating if they build over the lot lines. Chairman Zwetzig then asked the applicants to present at which time, Gerald Lehman, address being 7274 Teller Court, Littleton, and 25402 CR 3, Lot 71 Weldona as the lot in question. He further stated there is a mobile home on the lot and it was six feet from the back lot line and is asking to put it back in the same place indicating that combination of lots 170 and 171 is what is being requested. He pointed out on the GIS mapping where he is intending to build the new home which pointed out it will still be close to the adjoining property. Commissioner Teague asked why he could not move the house to meet the setback requirement, with Mr. Lehman stating due to the lot size.

Both lots were then shown on the mapping display and both lots were not able to be shown given they are drawn according to tax notices and he only receives one tax notice. Commissioner Teague verified that he will not be building over the line, and the variance will be given on the adjoining lot.

At this time, Chairman Zwetzig opened the matter for public comment at which time there was no public comment.

Chairman Zwetzig then moved forward with discussion and decision.

Chairman Zwetzig asked the question about the lot having a mobile home on it now, and to accommodate, the mobile home will be moved and then be allowed to be placed back on when it has the ability to make it conforming. The applicant was asked if he could build a house that would be conforming to the setbacks required, with Mr. Lehman stating yes, but not in the place where he wants it. He made mention of the garage and that it has been approved and the mobile home was approved with a six foot setback in previous years. Discussion followed with Commissioner Arndt stating it could be moved a bit forward with Chairman Zwetzig stating he would refer back to Commissioner Teague's statement about what is the hardship and feels there is no hardship given they could build to meet the setback requirements. Mr. Lehman believes the mobile home was permitted to be placed there and a variance was granted for the garage on the six foot setback as per Chairman Zwetzig.

Discussion followed with Ms. Cherry indicating what structures need to be constructed as per fire code with the Board asking to have Dustin Heid, Morgan County Building Inspector, to be present to respond to the questions. Chairman Zwetzig stated is it ever asked of the Fire Department when granting a building permit, with Ms. Cherry stating at times they do if it is going to be closer, it is not something they see very often, most are able to meet the ten foot separation requirement. One of the reasons for the ten feet requirement is for fireman to be able to access that space if necessary.

Commissioner Teague stated she thinks if this setback is approved, at some point there has to be a statement there is no additional growth to allow for the fire department to access the area as necessary.

Dustin Heid, Morgan County Building Inspector approached the podium at which time he responded to the question asked by Chairman Zwetzig regarding if there are building codes concerning the distance between structures. Mr. Heid stated there are specific codes that relate to distance between one occupied structure to the next, explaining the County has not adopted the National Fire Code, but does follow the State regulations and the State follows the National Fire Code. He further indicated he is not currently fluent in the 2015 code, but did state that it should not be less than ten feet, and Chairman Zwetzig stated it would be a distance of 12 feet, so that would not require any special construction with Mr. Heid stating that would be his understanding.

Commissioner Arndt asked about Exhibit B in the file, lot coverage, asking what the applicant is calling the side setback going from 7 ½ to 3, with Ms. Cherry stating that is the front setback which was granted for the garage previously. The applicant stated the garage is remaining in place and on the side by the road it was granted as three feet. He stated they will have two garages. The pink on the map references the structure but it does not reflect the current mobile home and the blue references the new garage. Commissioner Arndt stated that by calling the front, it goes to 3 feet, and the variance was granted at 3 feet, in 2014 and Ms. Cherry asked about the driveway having been moved with Mr. Lehman stated he has not moved the driveway. Ms. Cromwell stated they consider the front setbacks by using the driveway.

Mr. Heid stated that is not technically true, the front of the property is derived from the where the property address comes from, and the fact the driveways change at times, it is mostly driven by the address of the property.

Discussion followed with Commissioner Arndt stating it is confusing given in 2014 where it was granted a front setback 10 to 6 which is now the side setback and the fact there was a side setback granted and it should be stated the same, with Commissioner Teague stating the rear setback of 10 to 6 foot should have been indicated as well as the side setback 7 ½ to 3 foot and Mr. Lehman stated that is what it was. Lengthy discussion followed as to what the setbacks were in 2014 to what the setbacks are now.

Mr. Heid stated a mobile home is not a permanent structure, so the setbacks are different than for a permanent structure. It was clarified that the garage in the front was decreased from 10 to 6 and the side was decreased from 7 ½ to 3 as per Ms. Cherry.

Ms. Cherry read aloud the zoning regulations in regards to the definition of yard; as 1-930 which was determined that really does not help in this situation. Mr. Heid stated if the property sits on the corner, it would have two front yard setbacks. It was clarified that if there is a public road, that is where the setback would be determined from.

Discussion ensued between all those present regarding the setbacks, with Commissioner Arndt asking the question what is the hardship in this matter. Mr. Lehman responded stating the blue and pink will all be one structure, and Commissioner Arndt asked why it was not possible to pull that back to meet the required setbacks with Mr. Lehman stating it would cover up the front of the lot.

Commissioner Teague asked to note a point of order, reading aloud the application that was filed in regards to an approved resolution completed on 10/21, with further discussion indicating the variance had been granted in 2014 for the structure. After lengthy discussion regarding the setback allowances and the designation of each setback, it was determined that the previous resolution had the setbacks listed differently than they are being listed today, the north side was considered the rear setback and the fact that the setbacks do not work properly in the Jackson Lake subdivision.

At this time, a motion was made by Commissioner Teague to approve the application is for a Zoning Variance from Section 3-650 Table 1, Appendix B of the Morgan County Zoning Regulations with the property being located in the W ½ of the NW ¼ of Section 27, Township 5 North, Range 60 West of the 6<sup>th</sup> P.M., Morgan County, Colorado. The variance is for the rear yard setback from ten foot to six foot or the northwest property line from ten to six foot and for the property owned by Gerald and Pamela Lehman known as 171 Indian Way, Weldona, CO. Additionally, the variance to the lot coverage should be approved from 35 percent to 36.3 percent in the Jackson Lake Village zoning district and requested the preparation of a resolution to include the notation for the previous variance that was granted in 2014. Commissioner Arndt seconded the motion, and the motion carried 3-0.

Chairman Zwetzig asked that the question be taken to the Planning Commission if it is time to place a moratorium upon Jackson Lake Village as to any further variances being granted until zoning regulations can be reviewed further.

Application is for a Vesting of Rights Permit for an additional three years for a natural gas processing facility. The property is located in the E1/2 of Section 27, Township 6 North, Range 59 West of the  $6^{th}$  P.M., Morgan County, Colorado. The property is also known as 31405 County Road 10, Weldona, Colorado 80653

Applicant: Sterling Energy Investments, LLC Landowner: Sterling Energy Investments, LLC

Chairman Zwetzig asked Morgan County Planning and Zoning Planning Director/Floodplain Administrator Pam Cherry to present the file at which time Ms. Cherry stated this application is a request for a Vesting of Rights for an additional three years for the a natural gas processing facility owned by Sterling Energy that was approved as a Special Use on November 18, 2014, Resolution 2014 BCC 34. The property is located in the E½ of Section 27 Township 6 North, Range 59 West of the 6<sup>th</sup> P.M., Morgan County Colorado and addressed as 31405 County Road 10, Weldona, Colorado 80653. The property is zoned Agriculture Production. The plans that were approved in 2014 detailed a two phase plan for construction. Phase 1 of the construction was completed in 2015. A decrease in drilling activity delayed the start of Phase 2 construction. The facility will receive inlet gas from the gathering system and remove carbon dioxide, sulfur components and water. On May 11, 2015, Sterling submitted an application for an air permit to the Air Pollution Control Division and received the permit for review on November 7, 2017, which has also contributed to the delay of starting Phase 2 of the construction plan.

Ms. Cherry further stated the Maximum process capacity at the completion of Phase 2 will be approximately 65,000,000 cubic feet of natural gas per day; Phase 1 is capable of producing 15,000,000 cubic feet each day, though it is not operational due to low demand. Once natural gas production in the surrounding area returns to 2014 levels and with further commitment from producers the capacity at the Jackson Lake facility will be expanded and become operational.

Ms. Cherry indicated that pursuant to Section 2-435 vested rights are established upon approval by the Board of County Commissioners. Section 4-445 provides for a three year vesting period.

Ms. Cherry summarized the suggested conditions of approval as follows:

1. All previous conditions of the November 18, 2014, Resolution 2014 BCC 34 shall remain in force.

At this time, Ms. Cherry recommended approval of this vesting of rights.

Chairman Zwetzig asked the applicants to present at which time, Abbey Rimmel, Sterling Energy Investments, 1200 17<sup>th</sup> Street, Denver, CO stated she had nothing further to add to the application.

At this time, Chairman Zwetzig opened the matter for public comment at which time there was no public comment.

Chairman Zwetzig then moved forward with discussion and decision. Chairman Zwetzig asked about state statute not dictating extensions, with Ms. Cherry stating the state does not have any rules as to extensions, but the fact the original permit has the time frame indicated, the reason this matter is being heard today is to add the extension of the three year vesting period. Chairman Zwetzig asked if a lesser term would be acceptable, with Ms. Rimmell stating she did specify three years. Chairman Zwetzig stated Morgan County is looking at all its regulations, there are issues with the oil and gas industry and that Weld County has indicated they implemented some land use regulations on pipelines and gathering facilities on all gas and oil activity, and the County is in the process of reviewing its regulations and wondered if they would like to shorten their request. Ms. Cherry stated she believes the three year proposal is fair in this situation explaining there were some things that occurred within the economics of the area that caused the issue for this to not have occurred when proposed and feels the three years is fair at this point.

At this time, a motion was made by Commissioner Arndt to approve the application for a Vesting of Rights Permit for an additional three years for a natural gas processing facility noting that all the conditions of Resolution 2014 BCC 34 shall remain in force. The property is located in the E1/2 of Section 27, Township 6 North, Range 59 West of the 6<sup>th</sup> P.M., Morgan County, Colorado. The property is also known as 31405 County Road 10, Weldona, Colorado 80653 and applicants being Sterling Energy Investments, LLC, and landowner the same. Commissioner Teague seconded the motion and asked if Phase 2 has started with Ms. Rimmell stating it has not started as of yet, and in the next couple of months Phase I will start up again as they are seeing activity starting up. Commissioner Teague amended her motion to include the additional three years are to be considered from November 18, 2017. At this time, the amended motion carried 3-0.

Being no further business, the meeting was adjourned at 10:35 a.m.

Respectfully Submitted, Susan L. Bailey Clerk to the Board

(Minutes ratified November 21, 2017)
