**MORGAN COUNTY, COLORADO  
BOARD OF COUNTY COMMISSIONERS**

**RESOLUTION NO. 2021 BCC 06**

**A RESOLUTION AMENDING THE MORGAN COUNTY ZONING REGULATIONS**

WHEREAS, the Board of County Commissioners desires to reorganize and clarify the provisions of the Morgan County Zoning Regulations concerning the process for zoning applications and submittal requirements;

WHEREAS, on December 14, 2020, the Planning Commission held a duly noticed public hearing on the proposed amendments and recommended approval;

WHEREAS, on February 2, 2021, the Board of County Commissioners held a duly noticed public hearing on the proposed amendments;

WHEREAS, the Board of County Commissioners has complied with all relevant provisions for amending the Morgan County Subdivision Regulations; and

WHEREAS, after considering public testimony received and the recommendation of the Planning Commission, the Board of County Commissioners finds these amendments to be in the best interest of the citizens of Morgan County.

NOW THEREFORE BE IT RESOLVED by the Morgan County Board of County Commissioners as follows:

Section 1. The Morgan County Zoning Regulations is amended by the addition of the following definition:

**1-218 Board:** Board of County Commissioners

Section 2. Sections 2-105, 2-125, 2-130 and 2-137 of the Morgan County Zoning Regulations are deleted.

Section 3. Section 2-120 of the Morgan County Zoning Regulations is repealed and reenacted to read as follows:

**2-120 Jurisdiction and Applicability**

The provisions of these Regulations and accompanying Maps apply to the unincorporated lands of Morgan County, Colorado. To the extent allowed by law, these Regulations are applicable regardless whether use is conducted by or such development is done by a public, quasi-public, or private entity.

Section 4. Section 2-128 of the Morgan County Zoning Regulations shall be renumbered as Section 2-125.

Section 5. Section 2-135 of the Morgan County Zoning Regulations shall be repealed and reenacted to read as follows:

### **2-135 Permits Required**

Permits are required for all uses of property in the County. The type of use and zone district will determine the type of permit.

Section 6. Sections 2-435 and 2-455 of the Morgan County Zoning Regulations are renumbered commencing with Section 2-465. Sections 2-245 through 2-430 and Section 2-460 through 2-525 of the Morgan County Zoning Regulations are repealed and reenacted to read as follows:

## **AMENDMENTS TO ZONING REGULATIONS**

### **2-245 Initiation of Amendments**

The Board may, on its own motion or on referral by the Planning Commission, amend the Morgan County Zoning Regulations. Such amendments shall be made in compliance with these Regulations and Colorado statutes. Amendments to the County's Zoning Map that have broad based application shall be processed under this amendment process. Rezoning applications shall be processed in accordance with the rezoning procedures below.

### **2-250 Review Procedure**

- (A) Initiation. Planning staff, in consultation with the County Attorney, shall draft all amendments to the Regulations.
- (B) Availability of Information. The proposed amendments shall be available for inspection at Planning Department beginning fourteen (14) days prior to the Planning Commission until the final decision by the Board.
- (C) Planning Commission Hearing. Planning staff shall schedule a public hearing on the proposed amendments before Planning Commission and draft an advisory report on the proposed amendments. Notice of the public hearing shall be given in accordance with Sec. 2-255. Planning Commission shall hold a public hearing, review the proposed amendments and make a recommendation to the Board.
- (D) Board Hearing. After review by the Planning Commission, the Board shall hold a public hearing on the proposed amendments. Notice of the public hearing shall be given in accordance with Sec. 2-255.
- (E) Decision. The Board shall review the proposed amendment, any public testimony, Planning Commission and staff recommendation and shall approve, approve with modifications, table for further study, remand to the Planning Commission or deny the proposed amendments.

### **2-255 Notice Requirements**

Notice of a public hearing on amendments to these Regulations shall be given at fourteen (14) days prior to the public hearing by publication in a newspaper of general circulation in the County and on the County's website. Notices for the public hearings required under Sec. 2-250 may run concurrently. Notice shall be in the form provided in Appendix A.

### **2-260 Review Criteria**

Amendments to these Regulations must satisfy the following criteria:

- (A) That an existing regulation is in need of revision as proposed;
- (B) That the proposed amendment will be consistent with the future goals and needs of the County as set out in the Morgan County Comprehensive Plan; and
- (C) That the proposed amendment will be consistent with the overall intent of these Regulations.

### **2-265 Effective Date of Zoning Amendments**

Amendments approved by the Board shall become effective immediately, unless otherwise stated in the resolution of approval.

## **REZONING**

### **2-267 Policy**

For the purpose of establishing and maintaining sound, stable and desirable development within the County, the rezoning of land is to be discouraged and allowed only under circumstances provided for in this Regulations. This policy is based on the opinion of the Board that the County's Zoning Map is the result of a detailed and comprehensive appraisal of the County's present and future needs regarding land use allocation and other zoning considerations and, as such, should not be amended unless to correct manifest errors or because of changed or changing conditions in a particular area or the County in general. The rezoning process shall not apply to Zoning Map amendments that have broad application and are in the nature of policy making by the County.

### **2-270 Submission Requirements**

The submittal requirements in this Section may be waived or altered by the Planning Administrator at the Planning Administrator's sole discretion.

- (A) Completed application provided by the County, signed by all owner(s) of, or persons having an interest in the property subject to the application. If owner(s)

will not be signing the application, written authorization for the agent to sign the application must be supplied with the completed application.

- (B) Applicable fee.
- (C) A general description of the rezoning request and the reasons for it, and a description of any future development plans, including a narrative description of how the request meets the criteria of Sec. 2-285.
- (D) Names, addresses and phone numbers of the property owner(s), applicant(s) and/or representatives.
- (E) Proof of ownership of all parties in the area to be rezoned consisting of a title commitment issued within the previous six (6) months.
- (F) A list of names and addresses of property owners within thirteen hundred and twenty feet (1,320') of the perimeter of the property or properties to be rezoned.
- (G) A discussion of how the rezoning request may impact adjacent uses and integrate with existing zone districts.
- (H) Rezoning map pursuant to Sec. 2-400.

#### **2-275 Review Procedure**

- (A) Initiation. Rezoning may be initiated by the Board or the owner(s) of the property to be rezoned. Rezoning initiated by the Board shall not be subject to Secs. 2-270, 2-275(B) through (C).
- (B) Pre-application conference. Prior to actual submission of a rezoning application, each applicant shall attend a pre-application conference with the Planning Department. After the pre-application conference, the Planning Department may furnish the applicant with written comments regarding the proposed rezoning to inform and assist the applicant prior to the preparation of the application.
- (C) Review of Submission. Staff shall review the submittal materials within fifteen (15) working days and provide the applicant with initial written comments, specifically noting any inadequacies in the submittal items. Staff may request that the applicant make changes or clarifications to the submittal information prior to review by the Planning Commission. An incomplete submittal will not be processed.
- (D) Availability of Information. The proposed rezoning application, if applicable, and map shall be available for inspection at Planning Department beginning fourteen (14) days prior to the Planning Commission until the final decision by the Board.

- (E) Planning Commission Hearing. After a complete application for rezoning is submitted or a Board-initiated rezoning has been prepared for review. Planning staff shall schedule a public hearing on the proposed rezoning before Planning Commission and draft an advisory report on the proposed rezoning. Notice of the public hearing shall be given in accordance with Sec. 2-280 of these Regulations. Planning Commission shall hold a public hearing, review the proposed rezoning and make a recommendation to the Board.
- (F) Board Hearing. After review by the Planning Commission, the Board shall hold a public hearing on the proposed rezoning. Notice of the public hearing shall be given in accordance with Sec. 2-280.
  - (1) Refer back. If a rezoning application considered by the Board contains additional or modified information from the application considered by the Planning Commission, the Board may, at its sole discretion and at any time prior to rendering a decision, refer the application back to the Planning Commission for its comments and recommendation on the additional or modified information. The public hearing before the Board shall then be continued to such time subsequent to the receipt of the Planning Commission recommendation on the revised application. In the event of resubmission to the Planning Commission, Planning staff shall schedule a public hearing as soon as possible and shall provide notice pursuant to Sec. 2-280(A) and (C).
- (G) Decision. Within fifteen (15) days of the closing of the public hearing, the Board shall render a decision on the application. The Board shall consider all evidence presented and make specific findings. A vote for approval is to be followed by insertion of boundary changes on the Official Map within fifteen (15) days of the decision.

## **2-280 Notice Requirements**

Notice of the public hearings required under Sec. 2-275 shall be given at least fourteen (14) days prior to the hearing by all of the following methods:

- (A) Publication in newspaper of general circulation and on the County's website. Notice shall be in the form provided in Appendix A.
- (B) The applicant shall be required to post notice on the property for which the rezoning is requested. Such notice shall consist of at least one (1) sign facing each public right-of-way adjacent to the property. Such sign(s) shall measure not less than three feet by four feet (3'x4'). - (D) Notice for public hearings required in Sec. 2-355 may run concurrently.

### **2-365 Review Criteria**

The following criteria will be used by the Planning Administrator and, if applicable, the Planning Commission and the Board, when reviewing an application for a conditional use permit. A conditional use permit may be granted only if:

- (A) The application documents are complete and present a clear picture of how uses are to be arranged on the site;
- (B) The site plan conforms to the design standards of these Regulations;
- (C) There are no off-site impacts imposed by the conditional use proposed that require additional infrastructure (utilities, drainage, and roads) or upgrades by the County or special districts; and
- (D) The use proposed is compatible with the surrounding uses and adequately buffered as necessary.

## **SPECIAL USE PERMITS**

### **2-370 Purpose**

Special review use is a discretionary review process for uses which have unique or widely varying operating characteristics or unusual site development features. The procedure encourages public review and evaluation of a use's operating characteristics and site development features and is intended to ensure that proposed special review uses will not have a significant adverse impact on surrounding uses and properties or on the community-at-large.

### **2-375 Applicability**

In addition to uses designated as special uses in each zone district, any use, not designated as a Use by Right, Accessory Use, Conditional Use, Use by Special Review or not otherwise prohibited in a particular zone, may be approved as Use by Special Review pursuant to the criteria and procedure as established by these Regulations.

### **2-380 Submittal Requirements**

The submittal requirements in Section may be waived or altered by the Planning Administrator at the Planning Administrator's sole discretion. All submittal requirements shall be provided electronically.

- (A) Completed application provided by the County, signed by all owner(s) of, or persons having an interest in the property subject to the application. If owner(s) will not be signing the application, written authorization for the agent to sign the application must be supplied with the completed application.
- (B) Applicable fee.
- (C) A general description of the special use request and the reasons for it, including a narrative description of how the request meets the criteria of Sec. 2-395.

- (D) Title commitment for the property issued within the six (6) months previous to the submission of the application. If the application is incomplete, the County may require that the title commitment be updated.
- (E) Discussion of any environmental impacts the special use will have on existing vegetation, land forms, water resources, air quality and wildlife. If impacts exist, a discussion of how the applicant plans to mitigate these impacts will be necessary.
- (F) If a supply of water is needed for the special use, proof of an adequate supply of water in terms of quantity and reliability and in the case of human consumption, quantity, quality, and reliability.
- (G) A list of names and addresses of property owners within thirteen hundred and twenty feet (1,320') of the perimeter of the area where the special use will be located.
- (H) A discussion of how the special use will relate to or impact existing adjacent uses or properties.
- (I) A listing of type and availability of utilities and services; including sewer, water, electrical, and fire protection to the rezoned area including letters of commitment from providers of utilities and services serving the site or proof of ownership.
- (J) Discussion of any public improvements required to complete the project.
- (K) Descriptions of types of easements required for the project, widths and other pertinent information.
- (L) A special use plan map in accordance with the provisions of Sec. 2-420.
- (M) If a special use permit is sought for a livestock confinement operation allowed under Secs. 3-175 or 3-180, the Facility Design Standards and permit requirements of Sec. 4-200 and following must be met and included in the permit application.

**2-385 Review Procedures**

- (A) Pre-Application Conference. Prior to submission of a special use permit application, each applicant shall attend a pre-application conference with the Planning Department and if need be with other County departments and referral agencies in connection with the preparation of the application submittal documents. After the pre-application conference, the Planning Department may furnish the applicant with written comments regarding the proposed use to inform and assist the applicant prior to the preparation of the application.

- (B) **Review of Submission.** Staff shall review the submittal materials within fifteen (15) working days and provide the applicant with initial written comments, specifically noting any inadequacies in the submittal items. Staff may request that the applicant make changes or clarifications to the submittal information prior to review by the Planning Commission. An incomplete submittal will not be processed.
- (C) **Referral.** Referral agencies, as provided for Sec. 2-430, will be sent copies of the special use permit application and all materials for comment. The comment period is a total of fourteen (14) days and failure to comment is to be viewed as a favorable review. At the discretion of the planning staff and given unusual circumstances, some referral agencies may be contacted for additional comments or clarifications.
- (D) **Availability of Information.** The special use application shall be available for inspection at Planning Department beginning ten (10) days prior to the Planning Commission until the final decision by the Board.
- (E) **Planning Commission Hearing.** After a complete application for special use permit has been submitted, Planning staff shall schedule a public hearing on the proposed special use permit before Planning Commission and draft an advisory report on the application. Notice of the public hearing shall be given in accordance with Sec. 2-390. Planning Commission shall hold a public hearing, review the proposed special use permit application and make a recommendation to the Board.
- (F) **Board Hearing.** After review by the Planning Commission, the Board shall hold a public hearing on the condition use permit application. Notice of the public hearing shall be given in accordance with Sec. 2-390.
- (1) **Refer back.** If a special use permit application considered by the Board contains additional or modified information from the application considered by the Planning Commission, the Board may, at its sole discretion and at any time prior to rendering a decision, resubmit the application to the Planning Commission for its comments and recommendation on the additional or modified information. The public hearing shall then be continued to such time subsequent to the receipt of the Planning Commission comments and recommendation on the revised application. In the event of resubmission to the Planning Commission, the surrounding property owners shall be notified as required in Sec. 2-390(C).
- (G) **Decision.** Within fifteen (15) days of the closing of the public hearing, the Board shall render a decision on the application. The Board shall consider all evidence presented and make specific findings.

## **2-390 Notice Requirements**

Notice of the public hearings required under Sec. 2-385 shall be given at least ten (10) days prior to the hearing by all of the following methods:

- (A) Publication in newspaper of general circulation and on the County's website.. Notice shall be in the form provided in Appendix A.
- (B) The applicant shall be required to post notice on the property for which the conditional use permit is requested. Such notice shall consist of at least one (1) sign facing each public right-of-way adjacent to the property. Such sign(s) shall measure not less than twenty-four inches by thirty-six inches (24" x 36"). The size of the letters, indicating the notice, should be a minimum of two inches (2") high and such signs shall be erected on posts no less than four feet (4') above ground level. Such sign(s) shall read as indicated in Appendix A. Signs advertising the conditional use permit application in must be photographed by the applicant and submitted to the Planning Department subject to the following requirements:
  - (1) Photographs of the signs posting the property shall be submitted to the Planning Department at least five (5) days prior to each public hearing date. These photographs shall be accompanied by an affidavit from the applicant or applicant's representative that signs were posted at least ten (10) days prior to the public hearing date. The affidavit shall be in the form provided in Appendix A.
  - (2) Posted sign(s) shall be removed by the applicant within two (2) weeks following the final decision by the Board.
- (C) Mailed notice to property owners within thirteen hundred and twenty feet (1320') of the perimeter of the area where the special use will be located.
- (D) Notice required for public hearings required in Sec. 2-385 may run concurrently.

### **2-395 Review Criteria**

The following criteria will be used by the Planning Commission and the Board when reviewing an application for a special use permit:

- (A) The use and its location as proposed are in conformance with the Morgan County Comprehensive Plan;
- (B) All the application documents are complete and present a clear picture of how uses are to be arranged on the site or within Morgan County;
- (C) The site plan conforms to the district design standards of these Regulations;
- (D) All on and off-site impacts have been satisfactorily mitigated either through agreement, public improvements, site plan requirements or other mitigation measures;

- (E) The special use proposed has been made compatible with the surrounding uses and adequately buffered as determined by the County;
- (F) The special use poses only the minimum amount of risk to the public health, safety and welfare as set by either federal, state or county regulation, whichever is the strictest;
- (G) The special use proposed is not planned to be developed on a non-conforming parcel;
- (H) The applicant has adequately documented a public need for the project, all pertinent technical information, adequate financial resources to implement it, and has paid all fees and review costs levied by the County for application processing and review; and
- (I) For any special use requiring a supply of water that the applicant has demonstrated a source of water which is adequate for the proposed use in terms of quantity and reliability and in the case of human consumption, quantity, quality, and reliability.

## **DRAWING SUBMITTAL REQUIREMENTS**

### **2-400 Rezoning Map**

The rezoning map should be drawn to a legible and at an appropriate scaled as required by the Planning Administrator that allows for maximum clarity of the proposed rezoning. The maximum sheet size shall be 24" x 36". Plan reductions (11" x 17") will be required for public hearing packets. The map shall also include the following:

- (A) The area proposed for rezoning in a dark outline or otherwise clearly delineated.
- (B) Legal description and address of the site.
- (C) A north arrow.
- (D) An information block in a corner of the map which includes the following: the preparation date; a scale; names and addresses of the owner and applicant, if different than the owner, names and addresses of engineer or surveyor who prepared the map; and the number of the sheet and total number of sheets.
- (E) A vicinity map that depicts the area to be rezoned and the area which surrounds this site within a 1 mile radius of the perimeter of the property and which is superimposed over the Morgan County Zoning Map to show the zoning of the properties on the vicinity map.

- (F) Boundaries of other properties and zone districts within 200 feet of the area being rezoned.
- (G) Clear delineation and labeling of the following features in relation to the property and adjacent lands:
  - (1) existing zoning (site and adjacent properties);.
  - (2) existing uses and structures.
  - (3) existing public accesses to the site and all existing roads in the vicinity.

- (A) The maximum sheet size shall be 24" x 36".
- (B) An information block in a corner of the map which includes the following: the preparation date; a scale; names and addresses of the owner and applicant, if different than the owner, names and addresses of engineer or surveyor who prepared the plan; addresses of the site; the number of the sheet and total number of sheets; and sheet title (e.g, site plan, landscape plan, drainage plan).
- (C) A north arrow.
- (D) The area proposed for permitting in a dark outline or otherwise clearly delineated.
- (E) For subdivided land, label all boundary lines with bearing, distances, and curve data as shown on the final plat.
- (F) For unsubdivided land, label all boundary lines with bearing, distances, and curve data as shown on the certified boundary survey prepared by, or under the supervision of, a registered Professional Land Surveyor licensed with the State of Colorado.
- (G) Written legal description of lot.
- (H) A vicinity map at a suitable scale. The map shall locate the site with respect to adjacent streets and roads and other major land features within one-half (1/2) mile radius of the property.
- (I) The location and name of any water features or irrigation ditches within the perimeter of the lot.

- (J) The location and names of all public rights of way abutting the lot.
- (K) Clearly show, label and dimension the planned uses, their locations and approximate building envelope dimensions.
- (L) Show all setback distances as prescribed by the zone district.
- (M) If applicable to the type of use, show the existing and planned circulation pattern external and internal to the site and designate the road classifications as to arterial, collector and local and designate right-of-way widths.
- (N) If applicable, show existing uses that will remain and that will be removed upon development within the lot including all existing structures remaining the lot, the use within that structure.
- (O) A drawing of any proposed landscape plan for the project;
- (P) If required by the Planning Administrator, an engineered drainage plan for the site. Show how the drainage plan conforms to the floodplain requirements of these Regulations if the project is located in a floodplain. All drainage runoff is to be contained on the site that is in excess of historical flows prior to development. In the use of re-developed property where drainage was previously not contained, the plan should assume no development as the base for historical flow measurements; and

#### **2-420 Special Use Plan Map**

The special use map is prepared to show development plans for special use. The special use map must clear and legible at an appropriate scale, as approved by the Planning Administrator, to clearly show all of the information required below:

- (A) The maximum sheet size shall be 24" x 36".
- (B) An information block in a corner of the map which includes the following: the preparation date; a scale; names and addresses of the owner and applicant, if different than the owner, names and addresses of engineer or surveyor who prepared the plan; addresses of the site; the number of the sheet and total number of sheets; and sheet title (e.g. site plan, landscape plan, drainage plan).
- (C) A north arrow.
- (D) The special use plan map shall include certificates for the property owner's signature, the Planning Commission, the Board and the Clerk to the Board.
- (E) Legal description of the lot(s).

- (F) Vicinity Map. A vicinity map shall be drawn on special use plan map. The vicinity map shall be at a suitable scale. The vicinity map shall delineate all of the required information within a one-half (½) mile radius of the property proposed for the special use. The following information shall be shown on the vicinity map:
- (1) Section, township and range.
  - (2) Scale and north arrow.
  - (3) Outline of the perimeter of the parcel proposed for the special use.
  - (4) Locations and names of all public rights of way, irrigation ditches and water features.
  - (5) Location of all residences within a one-half-mile radius, existing and proposed accesses to the property proposed for the special use, any abutting subdivision outlines and names, and the boundaries of any adjacent municipality.
  - (6) Any other relevant information within a one-half-mile distance of the perimeter of the property proposed for the special use as may be reasonably required by the Planning Administrator to meet the intent and purpose of this Chapter.
- (G) For the lot or lots to be used for the special use, the following information shall be provided on the special use plan map:
- (1) The scale of the special use area shall be one (1) inch equals one hundred (100) feet.
  - (2) The drawing shall outline the boundaries of the lots being considered for the Use by Special Review.
  - (3) The drawing shall include the location and identification of all of the following items within a two-hundred-foot radius of the boundaries of the lots(s) as well as within the lot(s) itself; it shall also include the proposed features and structures of the proposed special use:

- (i) Location, amount, size and type of any proposed landscape material, including fencing, walls, berms or other screening.
- (j) Location of any special flood hazard area, geologic hazard area, or mineral resource areas.
- (k) Such additional information as may be reasonably required by the Planning Administrator, the Planning Commission or the Board in order to determine that the application meets the requirements of these Regulations.

## **SUPPLEMENTAL PERMIT REGULATIONS**

### **2-430 Authority of Planning Administrator**

The Planning Administrator has the discretionary authority to waive the drawing submittal requirements or allow preliminary sketches in lieu of a formal site plan or map to accompany an application either during the preliminary review process or for a Planning Commission or Board review, or may in their sole discretion, require additional requirements upon an applicant, if necessary, to meet the intent of these Regulations. Any sketch drawing shall be at an appropriate scale that clearly shows the project's intent. The Board of County Commissioners may require a submittal of a plan or map in compliance with the drawing submittal requirements prior to approval of any permit or as a condition of approval.

### **2-440 Referral Agencies**

The referral agencies and individuals include but are not limited to the following:

- (A) County Attorney.
- (B) Public Works Director or his/her Designee.
- (C) Local Department of Health.
- (D) Colorado Division of Wildlife.
- (E) Fire Protection District.
- (F) Public School District.

- (G) Municipalities and counties located within three (3) miles of the re-zone or use permit area, or, in the case of a municipality, where the proposed rezoning or permit lies within its current (3) three mile planning area.
- (H) Colorado Department of Transportation where a state or federal highway is within or adjacent to the re-zone area.
- (I) Others as deemed necessary by Planning Staff.

## **POST-DECISION PROCESSES**

### **2-450 Applications for Same Lot or Parcel**

Development applications for the same lot where an earlier petition for the same action was denied may be reintroduced for reconsideration by the County no sooner than one (1) year after the original decision is rendered. All rezoning or permit reintroductions must follow the same procedure as original petitions, as amended.

### **2-460 Amending Permits**

Any conditional use or special use permit issued under these Regulations may be amended upon application of the owner.

- (A) Minor amendments may be granted administratively by the Planning Administrator.
- (B) Major amendments must go through the same application, notice and hearing process as the original application.
- (C) Fees for an amendment shall be the same as for what is currently charged for the original type of permit.
- (D) The Board may, on a case by case basis, waive the requirement of paragraphs (B) and (C) of this section.
- (E) The Planning Administrator shall be the sole authority in determining whether an amendment is major or minor.

Section 7. Section 3-125 of the Morgan County Zoning Regulations is amended to read as follows:

Uses-by-right include the use of land, structures or both which are authorized by the district zoning classification.

The design standards of any given zone district comprise the essential site plan requirements for the placement of a use on a parcel or in a structure. To construct or commence a use-by-right on a parcel, a building or zoning permit is required.

Section 8. Section 3-645 of the Morgan County Zoning Regulations is amended by the addition of a new subsection (c) to read as follows:

- (c) No building or structure shall be constructed or erected over an abandoned oil or gas well.

Section 9. Appendix A, Forms 1 and 3, of the Morgan County Zoning Regulations, are amended as follows:

**MORGAN COUNTY, COLORADO  
BOARD OF COUNTY COMMISSIONERS**

**RESOLUTION NO. 2021 BCC 07**

**A RESOLUTION AMENDING THE MORGAN COUNTY ZONING REGULATIONS  
CONCERNING THE REBUILDING OF NON-CONFORMING SINGLE-FAMILY  
DWELLINGS AND SINGLE-FAMILY DWELLINGS SUBJECT TO CONDITIONAL  
AND SPECIAL USE PERMITS**

WHEREAS, the Board of County Commissioners desires to create an exception to the rules regarding rebuilding of non-conforming single-family dwellings upon partial or complete destruction;

WHEREAS, the Board of County Commissioners desires to eliminate the requirement for single-family dwellings to obtain a new conditional or special use permits after destruction;

WHEREAS, on December 14, 2020, the Planning Commission held a duly noticed public hearing on the proposed amendments and recommended approval;

WHEREAS, on February 2, 2021, the Board of County Commissioners held a duly noticed public hearing on the proposed amendments;

WHEREAS, the Board of County Commissioners has complied with all relevant provisions for amending the Morgan County Subdivision Regulations; and

WHEREAS, after considering public testimony received and the recommendation of the Planning Commission, the Board of County Commissioners finds these amendments to be in the best interest of the citizens of Morgan County.

NOW THEREFORE BE IT RESOLVED by the Morgan County Board of County Commissioners as follows:

Section 1. Section 2-195 of the Morgan County Zoning Regulations is amended to read as follows:

- (A) Except for single-family dwellings addressed in subsection B below, should such non-conforming structure or non-conforming portion of a structure be destroyed by any means to an extent of more than fifty percent (50%) of its fair market value at time of destruction, it shall not be reconstructed except in conformity with the provisions of these Regulations.
- (B) Non-conforming single-family dwellings in any zone may be restored or replaced without the requirement to obtain any permit, except for a building permit and a floodplain permit, as applicable, regardless of the limitations in subsection A above. No repairs, replacement or restoration may commence unless a building permit and a floodplain permit, as applicable, are obtained. The building permit and floodplain permit, as applicable, must be issued and repairs, replacement or

restoration commenced within twenty-four (24) months of date of damage or destruction. If the applicable permits are not issued and work is not commenced within twenty-four (24) months from the date of destruction, no work may be performed on the structure unless the structure and/or use complies with these Regulations. This subsection shall not apply to mobile homes or dwellings which are not on a permanent and engineered foundation. Any single-family dwelling must comply with the County's Floodplain Regulations in order to be rebuilt. The right to rebuild under this subsection is limited to the property owner at the time of destruction. If the property is conveyed after the event of destruction and before the completion of the rebuilding of the single family dwelling, the right to rebuild shall terminate and any issued permits may be revoked.

Section 2. Section 2-210 of the Morgan County Zoning Regulations is amended to read as follows:

- (A) No existing structure devoted to a use not permitted by these Regulations in the district in which it is located shall be enlarged, extended, constructed, reconstructed, moved, or structurally altered except in changing the use of the structure to a use permitted in the district in which it is located or in conformance with section 2-195.
- (B) This Section shall not apply to non-conforming single-family dwellings which are governed by Sections 2-195(B) and 2-230(A).

Section 3. Section 2-225 of the Morgan County Zoning Regulations is amended to read as follows:

Where non-conforming use status applies to a structure and premises in combination, removal or destruction of the structure shall eliminate the non-conforming status of the land as long as the land in its undeveloped state conforms to the bulk requirements of the zone district in which it is located. Destruction for the purpose of this section is defined as damage to an extent of more than fifty percent (50%) of the fair market value at time of destruction. This Section shall not apply to non-conforming single-family dwellings which are governed by Sections 2-195(B) and 2-230(A) and the property on which they are located.

Section 4. Section 2-230(A) of the Morgan County Zoning Regulations is amended to read as follows:

- (A) On any non-conforming structure or portion of a structure containing a non-conforming use, work may be done for ordinary repairs, or on repair or replacement of non-bearing walls, fixtures, wiring, or plumbing, in any twelve (12) consecutive months, to an extent not exceeding fifty percent (50%) of the current fair market value of the non-conforming structure or non-conforming portion of the structure as the case may be, provided that the footprint and/or square footage of the structure which existed at the time the structure became non-conforming shall not be increased. Non-conforming single-family dwellings

in any zone district shall not be subject to the limitation on the increased footprint and/or square footage of a non-conforming structure under this subsection. For purposes of this subsection, single-family dwelling shall not include mobile homes or dwellings which are not on a permanent and engineered foundation.

Section 5. The Morgan County Zoning Regulations are hereby amended by the addition of a new subsection, 3-153, to read as follows:

**3-153 Special Provisions Regarding Single-Family Dwellings**

- (A) If a single-family dwelling, which is subject to a previously approved conditional or special use permit, is damaged or destroyed, by unavoidable means or cause, it may be restored or replaced without the issuance of a new conditional or special use permit. The right to rebuild under this section is limited to the property owner at the time of destruction. If the property is conveyed after the event of destruction and before the completion of the rebuilding of the single family dwelling, the right to rebuild shall terminate and any issued permits may be revoked.
- (B) No repairs, replacement or restoration may commence unless a building permit and floodplain permit, as applicable, are obtained. The building permit and floodplain permit, as applicable, must be issued and repairs, replacement or restoration commenced within twenty-four (24) months of date of damage or destruction. If the applicable a permits are not issued and work is not commenced within twenty-four (24) months from the date of damage or destruction, no work may be performed on the structure unless a new conditional or special use permit is issued, as applicable. All work and structures restored or replaced under this Section, shall comply with these Zoning Regulations and any terms or conditions of the previously approved permit. Any single-family dwelling must comply with the County's Floodplain Regulations in order to be rebuilt.
- (C) For purposes of this subsection, single-family dwelling shall not include mobile homes or dwellings which are not a permanent and engineered foundation.

Section 6. Section 3-320(A) of the Morgan County Zoning Regulations is amended to read as follows:

- (A) Single-family dwellings (site built or manufactured home on a permanent and engineered foundation, but not a mobile home), one per parcel.
