WHEREAS, the Board of County Commissioners find that this ordinance is necessary to preserve the public health, safety and welfare of the citizens of Morgan County.

NOW THEREFORE be it ordained by the Morgan County Board of County Commissioners as follows:

Section 1. Prohibition on Accumulation of Junk and Rubbish

A. Purpose

The purpose of this Section is to protect the public health, safety, and welfare of the citizens and residents of Morgan County, Colorado, by eliminating and controlling, to the extent possible, the accumulation of rubbish within the County, which, if not eliminated or controlled, can result in visual blight, attractive nuisances, incompatibility with existing land uses, hazardous or toxic substances being deposited in unapproved sites, attraction of disease-infested rodents and other vermin, fire or other hazards, and air, noise and water pollution.

B. Applicability

This Section shall apply to all land within unincorporated Morgan County, including all individual properties and adjacent alleys or rights-of-way, except industrial tracts of ten (10) or more acres in industrial zoned districts (LI and HI) and agricultural land currently in use as agricultural land as that term is defined in C.R.S. § 39-1-102(1.6). This Section does not apply to identified and operating junk yards or currently allowed pursuant to the County's Zoning Regulations.

C. Definitions

1. *Agricultural land* means any parcel of land presently classified as agricultural use by the Morgan County Assessor's Office, as defined by and subject to the restrictions contained in C.R.S. § 39-1-102(1.6).
2. *Inoperable vehicle* means any vehicle in which the engine, wheels or other essential parts have been removed, altered, damaged or allowed to deteriorate so that the vehicle cannot be driven, or a vehicle which is not currently licensed or registered or otherwise may not be legally operated on highways of the state.
3. *Junk and Rubbish* means any trash, garbage, litter, refuse, debris, lawn or garden waste, newspapers, magazines, rubber, glass, scrap metal or alloys, used lumber or crates, used pipe or pipe fittings, bottles, plastic or paper containers or packaging, rags or cloth, remnant construction or demolition materials, vehicle parts, derelict vehicles, abandoned or junk equipment, used tires, used appliances or furniture, oil, carcasses of dead animals, or any object otherwise likely to injure any person or create a traffic hazard, or any other object which has been discarded or abandoned or is or obsolete as to make it unusable in its existing condition.
4. *Owner* means the owner of record, whether person, partnership, firm, corporation, governmental agency, or other association of persons, or any authorized agent or representative of the owner of record, and any occupant or tenant of the premises or property.

D. Unlawful Acts

It is unlawful for any owner to cause or permit junk or rubbish to be left or accumulated in or upon any yard, garden, lawn, outbuilding or premises upon any parcel or sidewalk or alley of any parcel in the County unless otherwise specified herein.

E. Rubbish Containers

Rubbish containers shall be provided by the owner of the premises. Rubbish containers shall be of a kind suitable to contain all trash and garbage collected and shall have a tight-fitting lid. Collection of garbage in plastic garbage bags of twenty (20) gallon capacity or larger is allowed during the 30-day accumulation period prior to collection by a licensed waste hauler and/or disposal at the County landfill.

It is unlawful for any person to discard or abandon any junk or rubbish upon premises not owned or occupied by the person without the consent of the owner thereof, and the waste material so deposited without consent shall be deemed to have been discarded and abandoned.

G. Inoperable Vehicles

A maximum of one (1) inoperative vehicle per parcel is allowed in residential, mobile home and agriculture (parcels 20 acres or less) zones. A maximum of three (3) inoperative vehicles is allowed in the Agriculture Zone (parcels larger than 20 acres), A/B, C, LI and HI zones unless otherwise allowed or restricted by special permit. Vehicles in excess of these numbers are not allowed unless they are stored in a private enclosed garage or storage shed and fully screened so as to prevent such vehicles from being viewed from a public road or area. Vehicles in excess of the allowed numbers may be allowed if the Planning Administrator determines that they are economically necessary for a bona fide farming or ranching operation.

H. Notice of Violation and Time to Correct

If probable cause exists to believe that a violation of this Section has occurred, a notice of violation shall be personally served and sent via first-class mail, return receipt requested, to the owner's mailing address as listed in the records of the Morgan County Assessor's Office and to the mailing address of the property in question, if one exists.

Any owner with accumulations of junk or rubbish shall have a total of ten (10) days upon the date of the notice of violation to remove and properly dispose of said articles from said property unless provided otherwise herein. This time may be reduced to as few as three (3) days if the accumulation presents an immediate danger to health or safety of the public.

The notice of violation shall refer the owner to this Section and shall specify the remedies available to the County in cases where the owner fails or refuses to abate such junk or rubbish before the time specified in the notice.

I. County Abatement

Once the time for appeal and the time allowed for removal of the junk or rubbish by the owner has passed, in event of failure or refusal of any owner of real property to dispose of junk and rubbish as set forth herein, the proper officials of the County are given power to remove any such junk or rubbish and impose the entire cost thereof, plus five percent (5%) for inspection and expense will be assessed against said real property in violation of this Section.

Within ten (10) days following the date of the issuance of the administrative entry and seizure warrant, the warrant shall be executed in accordance with the issuing court's directions, and a copy of the issued warrant shall be provided or mailed to the property owner. Following execution of the warrant, proof of the execution shall be submitted to the issuing court. Such proof shall include a written inventory of any property temporarily impounded.

K. Notice and Hearing on Assessment

The County shall send by registered mail a notice to the owner of any real

property that assessment has been made against the real property for the cost of inspection, removal, storage or impoundment, and related expense for failure to comply with this Section. Any such owner may pay any such amount due within thirty (30) days from the date said notice is received. Failure of owner to pay any such amount due shall result in the assessment becoming a permanent lien on real property, and said assessment, together with ten percent (10%) added for the cost of collection, shall be certified by the County Clerk to the Morgan County Treasurer for collection.

L. Criminal Penalty

Nonexclusive of other remedies available to the County under this Section, County code enforcement officers shall have the authority to issue citations or summonses and complaints for the purpose of enforcing this Section. Any person who violates this Section commits a class 2 petty offense, and, upon conviction thereof, shall be punished by a fine of two hundred and fifty dollars (\$250) per day for the first action leading to conviction, five hundred dollars (\$500) per day for the second action leading to conviction, and one thousand dollars (\$1,000) per day for the third action leading to conviction and all subsequent actions. In addition to the penalties prescribed by this Section, persons convicted of a violation of this Section are subject to a surcharge in an amount fixed by statute that shall be paid to the clerk of the court by the defendant, as provided by C.R.S. § 30-15-402(2)(a).

Any owner with accumulations of weeds or brush shall have a total of ten (10) days upon the date of the notice of violation to remove and properly dispose of said articles from said property unless provided otherwise herein. Any such owner may pay any such amount due within thirty (30) days from the date said notice is received.
