COUNTY OFFICIAL AND DEPARTMENT HEAD REPORTS

Sheriff Crone announced to the Board that his department will be participating in honoring Cancer Awareness month noting that Undersheriff Dave Martin has presented a couple of ideas on how their department can publicly express their support. Sheriff Crone had several officers at the meeting sporting a pink badge where they will wear these through the month of October to honor those who have been diagnosed and are survivors of various types of cancer. He stated his officers have also participated in "No Shave November" in the past where each officer that participated was required to pay a fee and the funds collected from these fees were then used to assist a family who was going through cancer treatments. This year, they are deciding to start this project now and not wait until November, stating they will be able to collect more funds to support others. At this time, Undersheriff Martin stated that all of the staff who will be wearing a pink badge, purchased the badge on their own and then asked to recognize some special ladies who were invited to the meeting for being "survivors" of breast cancer. Family members presented a "survivor" badge to each of their respective family members who were Mary Trout, Danette Martin and Diane Parks.

Chairman Arndt thanked the Sheriff and his staff for their support and for providing this recognition to show support of the community.

Commissioners reviewed the calendar dated August 31, 2018 through September 11, 2018 with no changes.
