

**Question Set #1 received from Bidders and Responses on behalf of Morgan County
Posted 6.8.2021**

**Morgan County, Colorado
RFP 2021-0624-001 Emulsified Asphalt**

Question #1:

Pricing for emulsified asphalt is to include freight to project locations- can the County please provide either an average delivery point for this year's project or could you provide a list of individual project locations to serve as reference for freight pricing?

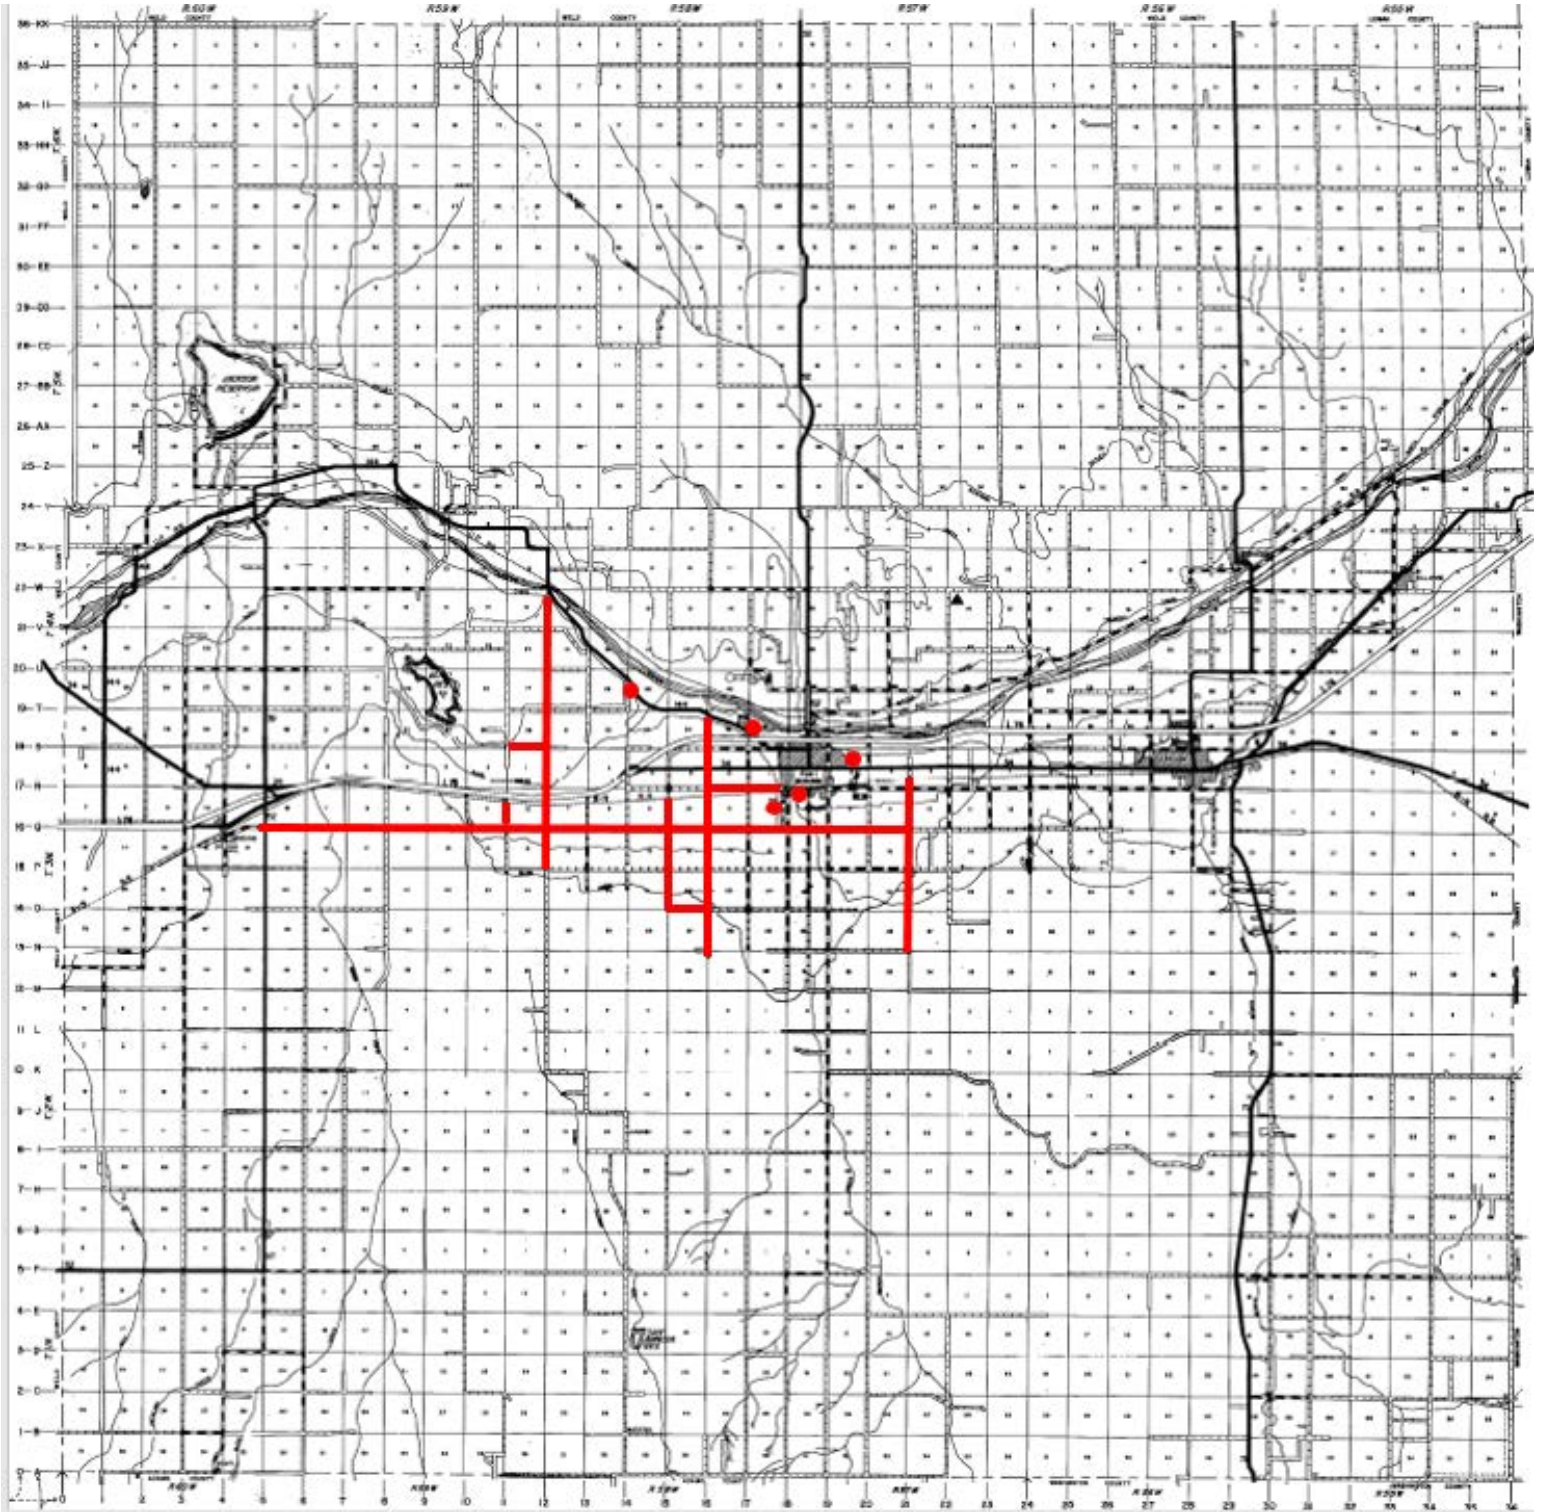

Answer #1

See attached

Morgan County Government

Road Department
