COUNTY MISSION STATEMENT

THE MISSION OF MORGAN COUNTY:

To establish and maintain services both of a mandatory and discretionary nature to protect the safety, health, welfare and quality of life for the people of Morgan County.

BOARD OF COUNTY COMMISSIONERS:

Mark A. Arndt
Jon J. Becker
Gordon H. Westhoff

MORGAN COUNTY ADMINISTRATION

Honorable Board of Morgan County Commissioners:

We are pleased to present for your consideration the 2024 budget for Morgan County. This budget is balanced, represents the County's financial plan for 2024, and is in conformance with Colorado law. The budget is the continuation of our dialogue with Elected Officials and Department Heads about the County's desired strategic outcomes within the context of available fiscal resources. The Finance staff has worked diligently to ensure the budget amounts presented are reasonable and that they have been thoroughly reviewed and discussed with you, the Board.

The 2023 County mill levy has been certified as follows:

<u>FUND</u>	<u>MILL LEVY</u>
General	19.448
Tax Abatement	0.105
Total General	19.553
Road and Bridge	7.500
Social Services	2.000
Total Levy	29.053

This will generate \$21,031,336 in property tax revenues to be collected in 2024. This is an increase of \$1,582,332 from 2023 property tax revenues. The 2024 approved Morgan County budget is \$60,359,183. This is a decrease of 8,156,146 from the final 2023 County budget.

Increase in Assessed Value

For 2023, Morgan County experienced an increase of \$52,846,830 in assessed valuation at \$723,895,530 up from \$671,048,700 in 2022. Morgan County's total assessed value is critical to Morgan County as there currently is no County sales tax.

Economic Outlook

Agriculture is the primary industry in Morgan County with retailers, other locally-focused businesses, and government operations supporting area farming and ranching communities.

Morgan County's oil and gas industry has not recovered from pandemic-era price troughs leading to industry rebalancing. While the economy is growing, numerous challenges remain. Real estate transactions have slowed as interest rates have increased dampening demand among would-be homebuyers. High interest rates are expected to contribute to slower economic growth over the coming year.

Agriculture and livestock

The eastern plains area is the largest agricultural region in the State, and the sector drives much of the region's economy. Unlike farmers in other areas of the U.S., Colorado's eastern plains producers are plagued by severe weather conditions, hampering recovery of the region's farm economy. Fortunately the area received wetter weather than in recent years, bringing relief from the drought that has plagued the area since June 2019. According the U.S. Drought Monitor, the region was drought-free from August 15, 2023 through the first two weeks of November, 2023. However, the cumulative results of prolonged drought conditions continue to affect the farm economy negatively.

Labor market

As in other areas of the State, the labor market conditions have slowly improved since the pandemic related shutdowns. The unemployment rate in the area is lower than most areas of the State and the labor market does not appear to be slowing.

Personnel Expenses

For the 2024 budget year, the County Commissioners approved a 2.5% increase in the County approved salary schedule. This increase will be given to all current County employees and any employees hired in 2024. The County Commissioners are committed to looking at salaries based on the current market.

The County's health insurance premium costs for County employee coverage increased 10% for the 2024 budget year. The County pays approximately \$3 million dollars a year for employee health premiums. The County provides health insurance coverage for all full-time employees. In 2024 the County will pay \$500 toward the cost of family health coverage with the remainder being borne by the employee.

Basis of Presentation

The Morgan County budget is prepared on a modified accrual basis for all governmental fund types and the accrual basis for proprietary fund types.

Individual Fund Analysis

General Fund:

The General Fund functions as the chief operating fund for the County. The County General Fund includes budgets for all of the elected officials as well as general operations of the county facilities. The 2024 General Fund budget is \$25,870,710. This is a decrease of \$11,303,329 from the 2023 budget. The General Fund capital outlay budget is \$5,879,000 in 2024. The capital projects budget includes \$4.5 million for energy efficient improvements at the Jail/Judicial Complex and Fairgrounds. The County also budgeted \$750,000 for infrastructure improvement projects to the Justice Center and Human Services Building. The General Fund mill levy is set at 19.448. In addition, a 0.105 mill from tax abatements has been certified for a total of 19.553. Morgan County does not levy a sales tax so the assessed value has a large impact on Morgan County's tax revenues. The County continues to experience increasing costs in all General Fund departments. State mandates continue to impact expenses on the county level. Costs of operating the County jail is a concern the County will continue to monitor carefully. The County also continues to plan for future building needs at the Jail/Judicial Complex as well as other facilities. The County continues to work on long range planning for all County Funds.

Road and Bridge Fund:

The Road and Bridge Fund accounts for the construction, repair, maintenance and snow removal for all county roads and bridges. The 2024 Road and Bridge Fund budget is \$11,382,580. This is an increase of \$1,767,429 from the 2023 budget. The Road and Bridge fund mill levy was set at 7.5 for 2023 for taxes collected in 2024. In addition to County property tax revenue, Road and Bridge Fund projects receive funding from the County's portion of the State's Highway Users Tax Fund (HUTF), monies. As part of a ten year County plan, the County has one capital road project planned for 2024. There will be an overlay project on County Road T.5 from Highway 52 to Road 24 for a budget of \$1,593,000. Capital bridge projects include three County Bridges for a total budget of \$684,840. The County budgets annually to reserve funds for future major road and bridge projects. Morgan County will reserve \$100,000 in 2024 for future capital road and bridge projects. The County continues to review long range planning to try and stay ahead on road paving projects. The County will also continue routine maintenance and snow removal of County roadways.

Social Services Fund:

The Social Services Fund provides a variety of State mandated social services including public assistance and children and family services programs. The Social Services Fund mill levy has been set at 2.0. The budget for 2024 is \$7,051,235. This is a decrease of \$364,289 from the 2023 budget. Morgan County continues facing cuts in funding from the State for Social Services programs while the need for services locally increases. The trend has been that more County money is needed each year to fund the programs. The programs administered by the Social Services department are funded by state, federal and county sources.

911 Emergency Telephone Fund:

The 2024 budget for the 911 Emergency Telephone Fund is \$1,703,500. This is an increase from the 2023 budget of \$411,000. The 2024 budget includes \$1,000,000 for capital projects.

The 911 Emergency Telephone Fund receives fees from telephone service suppliers, including wireless providers, to fund the costs directly related to continued operation of the emergency telephone service supplied by the County. The County also began receiving fees from prepaid calling cards in 2011.

Lodging Tax Tourism Fund:

The Lodging Tax Tourism Fund in 2024 continues to receive the 2.9% local lodging tax to support our tourism industry. The total budget for 2024 is \$259,100. This is an increase of \$41,100 from the 2023 budget. These funds are used for advertising and marketing to promote Morgan County tourism.

Conservation Trust Fund:

The Conservation Trust Fund collects State Lottery Funds for use in local parks and recreation projects. The 2024 budget for Morgan County is \$770,728. This is an increase of \$700,728 from the 2023 budget. Funds will be used for capital improvements at the County Fairgrounds. The County has completed several capital building projects at the Morgan County Fairgrounds using Conservation Trust Fund money. The Morgan County Fairgrounds facilities are used by numerous County organizations. It also serves as the site for the annual Morgan County Fair and the Brush 4th of July Rodeo.

Jail Capital Improvement Fund:

This fund was created in 2008 to accumulate monies for future capital expansion of the Morgan County Jail. The County adopted the Model Traffic Code and the fees collected are deposited to the Jail Capital Improvement Fund. The County General Fund also transfers \$120,000 annually to this fund. The 2024 budget is \$1,000,000. The County has budgeted for an energy efficiency project and a body scanner at the Jail/Judicial Complex.

Central Services Fund:

The 2024 budget for the Central Services Fund, an internal service fund, is \$8,051,492. This is an increase of \$948,565 from the 2023 budget. The Central Services Fund continues to maintain and update the County fleet vehicles and equipment carrying out a long-term plan to maintain up-to-date equipment. This fund also contains the budget for maintaining and upgrading the County information systems. The costs accumulated in the Central Services Fund, which includes the County Human Services attorney, accounting, fleet maintenance, human resources department, and the information systems department, are allocated to other funds. Departments are charged for the services and products used.

Solid Waste Management Fund:

The Solid Waste Management Fund continues to be self-sufficient. The 2024 budget is \$1,723,362. In 2021, the County completed a project to close one cell and open another at the landfill facility. This is in accordance with long range planning at the facility. A resolution was passed in 1997 establishing a reserve in the Solid Waste Management Fund to fund future capital projects at the landfill. In addition, a resolution was passed in 2013 to fund future capital equipment needs at the landfill. The County continues to budget annually according to long range planning for the capital projects reserve. The Solid Waste Management budget also includes the required reserve for closure and post closure care costs.

Ambulance Service Fund:

The Ambulance Service Fund is currently supported by user fees and County General Fund transfers. The Ambulance Service continues to address increased service needs and increased costs of operations. The County staffs full-time paramedics providing the County 24 hour service. The 2024 Ambulance Service budget is \$2,545,476. The County continues to reserve funds for capital building and equipment needs.

The 2024 Morgan County Budget

The County continues to evaluate and follow a ten-year plan developed for all the departments with emphasis on staffing levels and capital projects. The budgeting effort will be the starting point for an overall comprehensive operation and management plan that will aid in providing direction to County Administration in making financial decisions for years to come. It will allow for systematic planned expenditures by management.

Summary

- The total County mill levy certified is 29.053.
- Assessed value increased by \$52,846,830.
- Total 2024 Morgan County budget is \$60,359,183.
- A 2.50% cost of living increase is budgeted for salary increases for all employees.
- A 10% increase in employee health premiums is effective in 2024.
- In 2024 the County will begin contributing \$500 toward family health premiums to help defray health insurance costs for employees.
