MORGAN COUNTY FAIR

OBJECTIVES

Morgan County Fair Program

Morgan County 4-H Clubs and Vocational Education Departments provide opportunities for all youth, both rural and urban, to participate in wide varieties of educational experiences to develop life skills and leadership capabilities.

The Morgan County Fair Program provides an opportunity for youth involved in these programs to present to the general public their projects and accomplishments and to involve themselves in competitive activities intended to provide individual growth and development.

The Morgan County Fair also provides opportunities for the general public to enter several Open Class categories.

Premiums and awards are provided as incentives to recognize excellence. Premiums are contributed by the County Commissioners from tax monies. Fair sponsors donate additional awards.

Participate in the Fair objectively and in the spirit of friendly competition and cooperation.

FACILITIES

It is hoped that all youth and adults participating in the Morgan County Fair will cooperate with the Fair Board and County Commissioners in keeping the buildings and grounds of Memorial Park free of litter. Also, it is requested that extra care be taken in cleaning out the stalls and using the pits adjacent to the barns.

AFFIRMATIVE ACTION PROGRAMS
