Public Comment was Opened

Michelle Covelli, of 103 11<sup>th</sup> Ave in Wiggins, stated that she looked at the previous budget proposal and she didn’t see that the numbers matched to the final budget. She noted that there were many areas where projected items and estimated items don’t seem to match. She noted that the ambulance budget is also over budget for the year. She also noted that she was unable to look at the budget audit for the year and that the Conservation Trust has a negative balance.

# 2 COMMISSIONERS PROCEEDINGS

Chairman Becker explained that the final budget has changed since the preliminary budget was presented for a variety of reasons. He noted that the finance audit was completed this week. He noted that they have received an extension of the audit deadline which they are still beyond. He explained that the ambulance fund has increased because there are new radios that were needed and additions in Wiggins. Finally, he noted that there is a negative balance to the Conservation Trust due to the new hog and sheep barn at the fairgrounds.

Public Comment was Closed

Commissioner Bernhardt thanked Ms. Trusty for her hard work since she’s started with the county in September.

Commissioner Malone moved to continue the 2026 Proposed Budget Hearing for the Morgan County Budget to Tuesday, December 15<sup>th</sup>. Commissioner Bernhardt seconded the motion. The motion passed 3-0.

Being no further business the meeting was adjourned at 9:15 a.m.
