- ii. The rezoning is compatible with surrounding zone districts. The surrounding zonings include estate residential (Rolling Hills Estates), moderate density residential (Morgan Heights), rural residential (Quail Dunes Golf Course), and agricultural production. With this mix of surrounding zoning, agricultural production zoning is compatible.
- iii. The rezoning is in the best interests of the citizens of Morgan County and in addition, furthers the health, safety, or general welfare of the citizens of Morgan County. Conditions in the area of the proposed rezoning or in adjacent areas have changed or are changing to such a degree as to warrant the rezoning. The properties have always been used as pasture land and development would be difficult due to lack of access and the terrain. Rezoning the properties will conform to the current conditions.
