# Landowner MUST Sign Application

Landowner agrees to contract the project in accordance to the plans and specifications submitted herewith and in strict compliance with the provisions of the Morgan County Zoning Regulations and the Morgan County Building Code. Buildings MUST conform to the submitted and approved plans. Any changes of plans or layout must be approved prior to the changes being made.

### Any change in the use or occupancy MUST be approved PRIOR to commencement of construction.

The applicant, his agents and employees of, shall comply with all the rules, regulations and requirements of the County Zoning Regulations and Building Codes governing all aspects of the above proposed work for which the permit is granted. The County or its agents are authorized to order the immediate cessation of construction, at any time, if a violation of the codes or regulations appears to have occurred. Issuance of a building or zoning permit does not guarantee your project is in compliance with covenants that may be in place on your property. Landowner is notified that any past, existing or future drainage associated with this property is the responsibility of the landowner and not that of Morgan County.

Construction not commenced within 180 days of permit issuance voids this permit. Cessation of work for periods of 180 continuous days shall also void this permit, unless an extension is requested. Morgan County and any of its contractors are not liable for workmanship. Permits are NOT transferable.

### Signing this application gives the Building Inspector and/or his agent express permission to enter permitted property for the purpose of conducting inspections as required by Morgan County Zoning Regulations and Morgan County **Building Code.**

Additional fees may be charged if this inspection is not conducted prior to start of construction. -See Morgan County Zoning **Regulations 1-315** 

Failure to comply with inspection may result in additional fees and/or denial of a Morgan County Contractor's license.

Applications completed for properties not current in their property taxes will **not** be accepted.

### Violation of any of the codes and applicable regulations may result in the revocation of this permit.

# MORGAN COUNTY RIGHT TO FARM POLICY / NOTICE

Morgan County is one of the most productive agricultural counties in Colorado. Ranching, farming, animal feeding, and all other manner of agricultural activities and operations in Morgan County are integral and necessary elements of the continued vitality of the county's economy, culture, landscape and lifestyle. Morgan County specifically recognizes the importance of agricultural operations as necessary and worthy of recognition and protection.

Landowners, residents and visitors must be prepared to accept as normal the effects of agriculture and rural living. These may include noise from tractors, equipment, and aerial spraying sometimes at night or in the early morning; dust from animal pens, field work, harvesting, and gravel roads; odor from animal confinement operations, silage and manure; smoke from ditch burning; flies and mosquitoes; the use of pesticides and fertilizers, including aerial spraying; and movement of livestock or machinery on public roads. Under the provisions of the State of Colorado's "Right to Farm" law (Section 35-3.5-101 and following, C.R.S.), all normal and non-negligent agricultural operations may not be considered nuisances.

Also public services in a rural area are not at the same level as in an urban or suburban setting. Road maintenance may be at a lower level, mail delivery may not be as frequent, utility services may be nonexistent or subject to interruption, law enforcement, fire protection and ambulance service will have considerably longer response times, snow may not be removed from county roads for several days after a major snow storm. First priority for snow removal is that school bus routes are normally cleared first.

Children are exposed to different hazards in a rural setting than they are in an urban or suburban area. Farm and oilfield equipment, ponds, and irrigation ditches, electrical service to pumps and oil field operations, high speed traffic, noxious weeds, livestock, and territorial farm dogs may present real threats to children. It is necessary that children's activities be properly supervised for both the protection of the children and protection of the farmer's livelihood.

All rural residents and property owners are encouraged to learn about their rights and responsibilities and to act as good neighbors and citizens of Morgan County. This includes but is not limited to obligations under Colorado State law and Morgan County Zoning Regulations regarding maintenance of fences, controlling weeds, keeping livestock and pets under control. There may be provisions of which you are unaware. For example, because Colorado is a Fence Law State, owners of property may be required to fence livestock out.

Information regarding these topics may be obtained from the Colorado State University Cooperative Extension Office, the County Planning and Zoning Department, and the County Attorney.

### RECEIPT AND STATEMENT OF UNDERSTANDING

I hereby certify that I have received, read, and understood the Morgan County Statement of Policy and Notice regarding Right to Farm.

I further state that I am aware that the conditions of living in an unincorporated area are different than living in a town or city and that the responsibilities of rural residents are different from urban or suburban residents. I understand that under Colorado law that a pre-existing, non-negligent agricultural operation may not be considered a public or private nuisance.

### Application for Driveway Access Permit Morgan County, Colorado

#### **Terms and Conditions**

- The granting of this permit application is for one (1) property access across the county right of way onto a county road. The access must not exceed the approved width defined on the approved permit. Additional accesses crossing the right of way must be applied for separately.
- 2. If this access is to be onto an access/travelling easement, then a copy of the easement, recorded plat or use agreement must accompany this application.
- 3. The granting of a driveway access permit by Morgan County is only for the purpose of crossing the right of way under the counties jurisdiction. It is the permittee's responsibility to identify and obtain permissions to cross any other easements, covenants, right of ways or private agreements that may exist.
- 4. If the access request is onto any Federal or State lands, you must provide the names and contact information for the relevant agencies and attach a copy of the authorization for the property use.
- 5. All property owners/agents are responsible for any damages that may occur to the county road or right of way during installation of said driveway.
- 6. The construction and all costs associated with the construction of the driveway are the responsibility of the property owner/agent. The construction cannot exceed the defined width and must include any specified culverts required as defined in the approved permit. Culverts may be purchased from anywhere, however they must be approved by the county prior to installation. Culverts may also be purchased from Morgan County Road and Bridge.
- 7. If a culvert is required, it is for use by Morgan County to protect the road and right of way. Morgan County retains the right to utilize the culvert in any way it deems necessary.
- 8. If a culvert is not required at the time of permit issuance, however, in the future a culvert is deemed necessary, the cost of said culvert may be at the property owner's expense.
- 9. Inside the county right of way, the driveway may only consist of the travelling surface to access the property. No other structures or appurtenances may be placed in the right of way *(examples: columns, walls, fencing, large rocks, etc.)*. The only exception to this requirement is mailboxes.
- 10. During the construction of an approved driveway, it is the responsibility of the property owner/agent and/or their contractor to insure safety to the travelling public. This could include the use of signs, cones and/or traffic control as necessary.
- 11. All repairs, maintenance and costs associated with said driveway are the responsibility of the property owner/agent.
- 12. Morgan County is not responsible for any damages to the driveway caused by normal maintenance operations, including but not limited to mowing, grading, and snowplowing.
- 13. The property owner/agent agrees to hold harmless, indemnify, and defend Morgan County from any claim of any person arising from the installation, use, maintenance, or removal of the driveway in the county right of way.
- 14. The terms, conditions and requirements defined in this application and subsequent approved permit will remain valid through any future sales, transfer of ownership or assignments of the property defined in this driveway application.

\_ Please Initial that you have read and understand the terms and conditions outlined on this page.
