Re: RFP 2025-0102-001

***Question and Answer**

1. Regarding the RFP that was published this morning- would there be any consideration for extending the response deadline? Our company is uniquely qualified to propose on this project, however, we would not be able to complete the proposal by the deadline of January 2, 2025 due to the holidays, sub's time off, office closures, etc. Having an additional 2-3 weeks would yield a more concise and accurate estimate and give time for our subs to respond.

Due to time constraints and deadlines, Morgan County cannot extend the deadline for proposals. This RFP was initially posted on 12.16.2024.

Thank you,
