RFP 2025-1002-001

***Questions and Answers**

1. Is the peak height 16' or the eave height 16'? As per the specs included in the RFP on page 6, the wall height is 16'. The peak height is approximately 20' 2".
2. Can you please confirm the location of any overhead/man doors? Drawing of grader shed indicating OH doors, man door, bathroom, floor drain and breaker box was uploaded to Bidnet on September 9, 2025.
3. Can you please confirm if there are gutters, downspouts, and/or soffits on the building? Please refer to page 6 of the RFP.
4. Will the building have a sprinkler system? No.
5. Is there a point load or collateral load required for the structure? No.

*Please note that any questions need to be submitted via email.

Thank you,

Mindi Cloyd
